

# VERY, VERY, IMPORTANT HOUSE RULES.

## **SMOKING IMPOSSIBLE**

Our smoke detectors are sensitive. So, don't even think of smoking in your apartment – not even e-cigarettes. Anyone smoking nevertheless has to pay the price – at least 250€.

## **HOT KITCHEN**

Please be careful when frying food and open the window if necessary. The induction stove gets hot pretty fast – so please keep your eyes on it and cook on a lower level. Our smoke detector can't stand burnt steaks and informs the fire department directly if you mess up. Any costs associated to the fire run will be charged to your account if caused by improper use of the kitchen.

## **FURRY FRIENDS**

Your pets need to stay home unfortunately. Thank you for your understanding.

## **SQUEAKY CLEAN**

We keep your apartment clean and come by once a week to tidy up and change the laundry. To make our job easier, we ask you to keep your personal belongings organized.

## **HOUSEHOLD EFFECTS**

Your apartment is fully equipped so you can concentrate on the essentials. You can leave your household effects at home without a problem. Usage of your own electronic devices and bedsheets is prohibited. In case you ever feel something is missing, we are happy to hear your feedback.

## **INVENTORY**

Please check the inventory of your apartment at the beginning of our stay and let us know in case something is missing. You can find the inventory list in your kitchen drawer. We need to charge you any missing inventory upon check-out.

## **VISITORS**

Our Studio Apartment "BIG" is meant for one person. In case you want to host a guest overnight even so, please let us know so we can find a solution. If you'd like to stay with a plus one permanently, our "BIGGER" Apartment is suited perfectly for you.

## **BICYCLES**

Bicycles have no business in our apartments but can be parked safely in the inner courtyard if needed.

## **KEY CARDS**

Our keycards want to stay with us – therefore they need to be returned at the end of your stay. Just leave them on the ice cream cart in the hall.

## **TRASH**

Nobody likes to bring out the trash – but it's a must. You can find the trash cans in the inner courtyard.
